

Appleshaw St Peter's CE Primary School

PE and Sport Premium Funding Review 2018/19 & Plan 2019/20

Funding received for the 2017/18 academic year: £16,870
Estimated funding for the 2018/19 academic year: £17,000

Audit of Current Provision

- a. Pupils receive 2 hours of taught PE per week (or equivalent when averaged out across the term)
- b. Pupils are physically active at break times and have a broad range of equipment to inspire them in their game playing. This includes a fantastic piece of outdoor play equipment which encourages a range of movements and complements our setting beautifully.
- c. Full use is made of the school grounds all year round; children are encouraged to use the natural resources around them and love making dens and engaging in other imaginative outdoor games
- d. We successfully increased participation in after school sports clubs during 2017/18 and achieved the Silver Sports Mark. This was further improved in 2018/19 and the school achieved the Gold Sports Mark and the KS1 Kite Mark.
- e. The school is successful at sporting competitions it enters winning the Rural Schools Netball tournament (again), finishing second in the rural schools rugby tournament and being competitive in other sports events entered.
- f. We subscribe to our local secondary school's PE SLA and good use has been made of this expertise in training children as sports leaders and running competitions
- g. Further equipment was purchased, including two outdoor table tennis tables which has enriched our provision
- h. Specialist sports coaches have visited school (Planet Ed, Tennis) to enrich our provision
- i. We provided additional swimming sessions for pupils in Year 6 who hadn't met the standard expected by primary age pupils

Priorities for 2018/19 and beyond

- a. Continue to provide catch up opportunities for pupils in year 6 who have not yet met the National Curriculum expectations and further develop the skills for those who have.
- b. Ensure equal opportunities for all pupil groups in accessing sport and physical activity, giving special consideration to improving uptake for girls and those who would benefit from more physical exercise.

- c. Continue to engage in local sports competitions whenever possible
- d. Continue to work with our cluster and neighbouring schools to improve competition locally
- e.

How did we spend the money in 2018/19?

	Key Outcome Indicator (Vision)	Provision	Impact ¹	Spending
1	The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	<p>Increase participation of girls and pupils who would benefit from greater physical activity in after school sports clubs</p> <p>Consider feasibility of providing further opportunities for pupils who are not yet able to swim to be offered 'catch-up' lessons outside of the normal curriculum offer.</p> <p>Review the provision of physical activity on offer at playtimes; replace the older play equipment with a new trim trail accessible to all age ranges.</p>	<p>Improvement in girls' participation in after-schools sports clubs (parity with boys achieved in summer term)</p> <p>Increase in participation for SEN pupils</p> <p>Wider range of sports and clubs on offer</p> <p>Greater numbers of pupils leaving school able to swim confidently (25m, range of strokes, water rescue)</p> <p>Enhanced provision for physical play that encourages pupils to develop core stability and strength</p> <p>Reduction in the percentage of inactive² children from 15% to just 5%</p>	£15,000.00
2	The profile of PE and sport being raised across the school as a tool for whole school improvement	<p>Continue to be involved with local sports competitions whenever possible and where staffing and other commitments allow.</p> <p>Buy into the Harrow Way SLA</p> <p>Work with local rural schools to continue to fund a rural schools</p>	<p>Participation of as many pupils as possible in inter-school competitions both through the Harrow Way cluster and through the Rural Schools Partnership. This has included <u>all</u> Y1 and Y2 pupils participating in competition out of school.</p> <p>Greater exposure to different sports (coaches coming in to school and through our local PLT)</p>	£4000

¹ Ref: Gold Sports Mark application

² Attending an after-school sport/physical activity club

		sports coordinator Continue to employ Planet Education Coaches to provide Sports Leader training for pupils and support the school in delivering intra-school competitions	Year 4 and 5 pupils trained as Sports Leaders All pupils experienced some element of intra-school competition School achieved GOLD SPORTS MARK and KS1 KITE MARK Created a dedicated PE blog page to celebrate success and participation in sport and physical activity We qualified for the Hampshire Games in two events (Tennis and multi-skills) We won the rural schools netball tournament (again).	
3	Increased confidence, knowledge and skills of all staff in teaching PE and sport	Purchase resources to support the planning, delivery and assessment of PE as required to support teachers in their work	The previous work with a Sports Coach has been built upon and teacher's deliver high quality PE lessons for pupils and help them to engage in physical and actively healthy lifestyles	£500

5	Increased participation in competitive sport	Continue to be involved with local sports competitions whenever possible and where staffing and other commitments allow.	Children compete and participate in various sports competitions throughout the year. Equality of opportunity for all pupils	£500
			Total	£8400

How we are ensuring sustainability for the future

We invested in teacher expertise in the initial years of the PE and Sport Premium in the knowledge that this would have longer term benefits for pupils because our teachers would be more skilled at teaching PE. With good teacher retention, we have now enhanced other provision, such as fixed play equipment, that will leave a lasting legacy for the current pupils of this school and for future cohorts of children who attend as well as building on our good (see Gold Sports Mark 2019) sports provision.

Outcomes for Swimming Year 6 (2017/18)

Can swim competently, confidently and proficiently over a distance of at least 25 metres	Can use a range of strokes effectively	Can perform safe self-rescue in different water-based situations
89%	89%	67%

Outcomes for Swimming Year 6 (2018/19)

Can swim competently, confidently and proficiently over a distance of at least 25 metres	Can use a range of strokes effectively	Can perform safe self-rescue in different water-based situations
